WHY AMC IS THE BEST

DIVERSE ETHNIC MENU

Keeping the unique tastes and choices of every ethnic group in mind, we have created a perfect blend of multi-national chefs, catering to their specific preferences, providing them satisfaction and contentment.

SUFFICIENT PORTIONS

Our portion sizes are remarkably greater than the average caterer. We believe in client satisfaction as the main investment for a strong and profitable relationship. Every individual is provided with a generous meal size to ensure a bellyful.

FOOD PREPARATION/DISTRIBUTION CENTERS

Our food preparation/ distribution centres are located in DIP, Jebal Ali, Al- Qouz, Sharjah industrial Area, Saif zone (Sharjah) and Ajman. They act as an easy solution to clients not having food Preparation facilities in their premises and which food to be prepared, transported to their location and be served.

ON SITE PREPARATION

Certain clients wish on site food preparation and service at their own premises, giving us the Opportunity to provide to them a unique service custom designed to their requirements.

LOW RATES

AL MAZROUI CATERING SERVICES is known to offer clients with very economic packages to suit their catering needs. Our secret being our diverse team of food importers, who helps us in acquiring fresh, good quality products at competitive costs compared to the local markets.

FAST DELIVERY

Our transport fleet is designed to meet the wide distribution area set by the diversity of our clients. We currently deliver to locations which span up to 550 Km in radius. We have made it our prime goal to make sure that no time is wasted, from when food is prepared in our kitchens till it reaches fresh to the clients' plate. Proper time management, experienced co-ordination and a skill full distribution team are our pride in fulfilling commitments.

HYGIENIC HANDLING

Every level of precaution is taken to ensure that there is no degree of contamination during food preparation and packaging. Our kitchen staff and food handlers are all regularly trained in the "Basic Food Hygiene Course," conducted by Dubai Municipality. Our Supervisors regularly undertake the PIC level 3 course designed by Dubai Municipality for Catering supervisors. So, rest assured, your meals will be fresh and hygienic whether served or delivered packed.

QUALITY CONTROL

Rigorous internal audit by our quality team and fast implementation of better screening methods are the key to make catering a cleaner operation. Our proof is our ISO 9001-2015 Certification by Intertek.

CORPORATE CATERING

In-office catering has become a new trend in the Emirates. Quality food served in the workplace is now thought to relax the stressful environments and increase staff productivity.

In addition to the housekeeping, general cleaning, recreation, laundry, security, clinic and transportation for all the nationalities regularly employed in AGCC countries.

As for Pre-mobilisation of a project, we could assist temporary accommodation and transportation of the meals as total coordination to ease the mobilisation process. We are characterized by our vast knowledge of services required on offshore projects for the following three categories:

▶ **senior staff**

▶ **junior staff**

▶ **skilled labours**

With providing catering, housekeeping and laundry services for 12 or 24 hour operations within the company budget and required specifications.

FOOD DELIVERY

An efficient delivery system is a major factor in a Catering business. Transporting meals to feed a complete supply line, conveyance of personnel to and from sites, transporting equipment and other goods, all come under this heading.

Our transportation fleet has been developed according to meet all the above demands. Food quality is maintained even in remote delivery sites. This is ensured by food temperature control and timely delivery. In addition, our fleet includes units which can be booked by clients for their use.

FOOD STUFF DIVISION

To meet with the enormous basic requirements for providing professional Catering Services, we have developed an International food importing system which makes us sole distributors for certain food products.

Being importers, we can be at an advantage to our customers as we can provide products with a high quality at minimal value. This lowers the total cost of our tenders, which we offer our clients.

The local food market respects AMC for not only being a professional caterer, but also bearing a firm place in the Food Whole Sale market in the UAE.

HOSPITALITY CATERING
